**DETAILED ACTION**

***Election/Restrictions***

1. The restriction requirement established in the previous office action is withdrawn and non-elected claims 1-8, 17-26, 28-45 are hereby rejoined. The restriction requirement is withdrawn due to the establishment of allowable subject matter in the independent claims.

***Priority***

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

***Information Disclosure Statement***

3. The references cited in the IDS documents received on January 17, 2002 (paper no. 0102) and June 7, 2002 (paper no. 0602) have been considered.

**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. This amendment to the claims is being done to correct claim dependency.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Stephen Heller on December 1, 2003.

The application has been amended as follows:

For claims 10-16, change dependency from "claim 8" to - - claim 9 - -.

***Allowable Subject Matter***

Claims 1-77 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record and to the examiner's knowledge does not teach or render obvious, at least to the skilled artisan, the instant invention regarding a process of making a light emitting device including a step of wiping and cleaning as in independent claims 1, 8, 9, 17, 18, 26, 27, 38, 46, 54, 62 and 70. The plain meaning of the term wiping is understood by the examiner as a step which means to rub with or as if with something soft for cleaning so as to remove dirt or debris, but not to alter the surface of that which is being wiped and cleaned.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
